

Bundle Tree Debris Properly!!!

Best Trash Guidelines for Yard Debris for Normal Trash Pick-up Days

- Best Trash will not pick up an entire tree or large segments of a tree. You must make your own arrangements. You can call and inquire about pick up options with Best Trash.
- Please separate the bundles to show that they are clearly tied and bundled.
- All tied bundles must be less than 40 pounds.
- Bundles can be no greater than 4 feet in length with no branch diameter exceeding 3 inches.
- Please leave out no more than 5 tied bundles at a time.
- If you use a landscaper, they are responsible for the haul off of your yard debris.
- Please do not fill up your trash can with wood or branches.
